

WAKEFIELD

Last season: 12-13

Returning starters: Four

Watch this girl: Senior G/F Kelsey Reitz should return later this month from her second torn ACL. The 6-foot Reitz can play any position on the floor, and her inside-outside game could cause matchup problems for opponents.

Outlook: The Warriors have reached four of the past five region tournaments, only to be bounced in the first round, and they hope to take the next step for Coach DeVaughn Drayton. Senior G Brittany Garner was the team's top scorer last year at 14 ppg, and C Brittane Neeley (10.5 ppg, 9 rpg) has committed to North Carolina A&T.
